Correction of Error in Issued Patent

Dear Sir:

The undersigned has discovered that an error exists in the above-identified United States Patent.

Claim 11, which is published in part, states:

"...C. oxidized polyethylene having more than 40 carbon atoms, said organic acid being present in a weight ratio of about 0.2 to about 2 parts per part of component B,...".

should read,

"...C. oxidized polyethylene having more than 40 carbon atoms, said ~~organic acid~~ oxidized polyethylene being present in a weight ratio of about 0.2 to about 2 parts per part of component B,...".

The error is not considered material and it is requested that this letter be placed in the file wrapper the above-identified United States patent.

Respectfully submitted,

  
Forrest L. Collins
